Cousins Island Community House
422 Cousins Street, Yarmouth

RSVP required, please click here. We look forward to seeing you!

Roger and his Groundies --
Danny, Mary (Chamber Executive Director!) and Zach.

A Message from the Executive Director

I love the interconnectivity of Maine. I didn't grow up here, but my brother, a career naval officer, raised his six children on the Midcoast so it has been a home of choice to me for over 30 years.

When I first moved here, I joined the board of The KISMET Foundation and served with fellow board member, Roger Duncan. Flash ahead to 2025, years after that period of joint service, and I bumped into Roger again at Coastal ACE Hardware. It's a long story from there, and I will share a bit of it at our next After Hours Event, but I ended up accepting his challenge to whip myself into shape by joining his tree crew as a groundie. Groundies haul brush and logs, run the chipper, mini-skid, and any other equipment that doesn't involve going up in the air. (Turns out, I was a master stump grinder!) So here we are a mere year later and I am running the Chamber of Commerce and Roger is hosting an After Hours event as one of our newest Chamber members.

Like all of our wonderful Chamber businesses, if you don't already know about Duncan Tree Service, you should. Roger is a 23-year navy veteran, Yarmouth resident, and Maine State licensed arborist. I hope to see as many of our members as possible at this unique networking event on Cousins Island. Give your trees a good look before you join us as Roger will be offering a discount to all chamber members for March and April service bookings!

October After Hours

Thursday, October 22, 2026, 5-7pm
